

Floor Routine Choreography Information

Please review the following information regarding floor routines:

Routine Longevity

Athletes are expected to keep the same floor routine for two competition seasons whenever possible. Keeping a routine for a second year allows gymnasts to refine their dance, improve their musicality, increase confidence, and truly perform the routine rather than simply remember it.

Scheduling Priority

Athletes whose current routine is only one year old but would still like Morgan to create a new routine will receive second priority when scheduling choreography.

Choreography Options

Families may choose to have their athlete's routine choreographed:

- By Morgan at BAGC
- By an outside choreographer

Morgan's choreography fee is \$125 per routine, paid directly to her.

Scheduling

To schedule choreography with Morgan, please contact her through BAND messenger. If using an outside choreographer and you need floor time, reach out to Carley to schedule.

Music Requirements

- Music must be 1 minute, 30 seconds or less.
- All music must be approved by Morgan or Carley before choreography begins.

Thank you for helping us prepare for another amazing season! We can't wait to see everyone's routines come to life! 💙💜
